

HEALTH FORM

Please complete this Health Form, answering all questions in detail. This information, which is held in confidence and is only shared on a “need to know” basis with those caring for your child, is needed so that we may provide appropriate care for your child. If any of this information changes prior to your child’s arrival at camp, please contact us so we can make the appropriate updates to the form.

INFORMATION ABOUT HEALTH AND WELLNESS CARE AT CAMP

Ensuring your child’s health and safety is one of our most important responsibilities. There is a registered nurse on duty when children are at camp in the summer. We also consult with a medical doctor. Things such as insect bites, headaches, minor poison ivy, upset stomachs, cuts, scrapes, etc., are considered routine medical care. It is our policy to contact parents only if a child experiences illness or injury requiring more than routine medical care. Please remember that your child is our primary concern. First, we will seek the necessary treatment; then, we will follow-up with you. Feel free to contact the Camp Director, Village Director, or Camp Nurse to ask any questions about your child. Sherwood Forest’s medical insurance is secondary coverage; if a camper requires medical treatment and has medical insurance, the parent will be billed as having primary coverage.
